Take control of your air

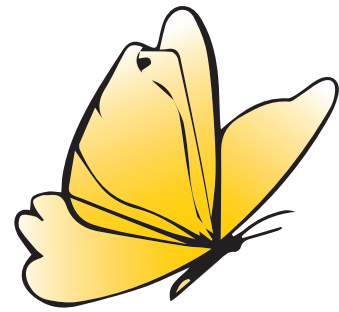

Air Purifier

AD-06

Why Air Purifiers Australia?

At Air Purifiers Australia our mission is to help consumers and businesses in Australia take control of their air quality by providing a range of fully tested and high-quality air purifiers to suit a range of spaces such as: car, desktop, small offices, large offices, classrooms, pubs, bars and gyms.

A recent study done by the National Institute of Allergy and Infectious diseases found that viruses can remain airborne for up to 3 hours. By purchasing a product from Air Purifiers Australia, you will be guaranteeing fresh, safe air for yourself, your family, your work colleagues and your customers.

Take control of your air today!

The AD-06

This versatile air purifier can be used in a variety of spaces such as small offices, workplaces or bedrooms.

The AD-06 air purifier is small, compact and deceptively powerful with a number of in-built features such as a sleep timer and air quality indicator as well as our standard medical grade HEPA filter that guarantees the best air quality for you, your family and your colleagues.
